N
CAPITAL WORKS
DEPARTMENT
MAY 2021

NO DISPLAYS CAN BE DISMANTLED BEFORE THE OFFICIAL CLOSING TIME.

It is dangerous for delegates attending the show and does not appear professional when booths are dismantled ahead of the official closing time. All exhibitors must arrange for the pickup of their exhibit materials immediately following the end of the show. All appropriate paperwork and phone calls are the responsibility of the exhibitor. The Enercare Centre does not have facilities to store exhibit materials. Dismantling, loading and departure of displays and exhibits must be accomplished immediately following the conclusion of the function. If the exhibits have not been removed from the venue by the time agreed upon, Stronco Show Services will have them removed at the expense of the exhibitor and the Enercare Centre will not be responsible for any loss or damage done during the removal.

EXHIBITOR RULES/REGULATIONS/INFORMATION:

This year's conference will be a two-day event.

EXHIBIT HOURS:

Friday, September 30th 10:30 a.m. – 3:30 p.m.
Saturday, October 1st 10:00 am – 1:45 pm

LOCATION OF CONFERENCE AND TRADE SHOW:

Beanfield Centre / Enercare Centre
100 Princes' Blvd., Toronto ON
ON M6K 3C3

EXHIBIT BOOTH:

Each booth will be equipped with pipe and drape. Back wall curtain is 8' high and side-rail curtains are 3' high (curtains are flameproof drapes). Single booth size: 10' deep by 10' wide. Your booth will be carpeted, and each booth will receive (1) 6' table and (2) chairs. Exhibitors must notify Show Management in writing if you do not require booth carpet and/or table and chairs. Please note that some booths beside the front-facing doubles have an 8' high side wall, rather than a 3' high side wall.

LAST MINUTE ADDITIONS TO BOOTH:

Last minute additions to the booths can be done Friday, September 30th between 8:30 a.m. – 10:00 a.m.; and/or Saturday, October 1st between 9:00 am – 10:30 am. Your booth must be assembled, cleaned and ready for show opening at 10:00 a.m. on Friday, September 30th and 10:00 am on Saturday October 1st. In order to maintain a professional atmosphere at this year's conference, these rules will be strictly enforced by on-site trade show staff. All displays and exhibits must be brought into the building via the loading dock - 100 Princes' Blvd - East Docks Enercare Centre.

MOVE-OUT:

Move-out will take place on Saturday, October 1st 2:30 p.m. – 6:00 p.m. No displays will be dismantled before the official closing time. It is dangerous for delegates attending the show and does not appear professional when booths are dismantled ahead of the official closing time. All exhibitors must arrange for the pick-up of their exhibit materials immediately following the end of the show. All appropriate paperwork and phone calls are the responsibility of the exhibitor. The Enercare Centre does not have facilities to store exhibit materials. Dismantling, loading and departure of displays and exhibits must be accomplished immediately following the conclusion of the function. If exhibits have not been removed from the Enercare Centre by the time agreed upon, Stronco Show Services will have them removed at the expense of the exhibitor, and the Enercare Centre will not be responsible for any loss or damage done during the removal. Failure to comply with move-out procedures may affect your ability to exhibit at future Annual Condominium Conferences.

ASSIGNMENT OF BOOTH SPACE:

Location compatibility will be at the discretion of the Show Management.

SHIPPING:

Display or exhibit materials can be shipped ONLY for arrival on the day of move-in and exhibitor staff MUST be present to sign for the delivery.

DISPLAY CONTRACTOR:

The firm, Stronco Show Services, has been appointed Official Supplier of Exhibit Services and Equipment. Contact Stronco Show Services at 905-270-6767 or showstatus@stronco.com. Please review the illustrated catalogue attached in the email.

ELECTRICAL CONNECTIONS:

All electrical services must be ordered directly from the Enercare Centre. Orders are to be placed on the new exhibitor portal, located [here](#).

INTERNET:

Internet services can be ordered directly from the Enercare Centre. Orders are to be placed on the new exhibitor portal, located [here](#).

SIGNAGE / BANNERS:

All signs and banners must be contained in the boundaries of the space allocated. Signage/rigging services must be ordered directly from the Enercare Centre. Orders are to be placed on the new exhibitor portal, located [here](#).

SPACE RESTRICTIONS:

All demonstrations, discussions, or other activities, such as the distribution of descriptive literature of any kind, must be confined to the exhibitor's own booth. No exhibitor shall assign or sublet the whole or any part of assigned space. Exhibits in conventional booth spaces are not limited as to the type of exhibit installed, however, the approved maximum height for

all regular booth display spaces is 8 feet, including signs. There can be no exception on this height limitation. So that the display value of an adjoining booth is not destroyed, sidewalls, fixtures, and other display material may be erected to the maximum height of 8 feet, only in that portion of the booth extending not more than 48 inches from the back-wall. From that point (48 inches from the back-wall) to the front of the booth, fixtures, tables, counters and other display material must not exceed a height of 50 inches.

SECURITY:

Security is the responsibility of the client or exhibitor. The Annual Condominium Conference will provide overnight security ONLY for the exhibit areas, but assumes no responsibility for any products, displays or items within a booth. Those remain the responsibility of the individual exhibitor.

FOOD AND BEVERAGE:

All food and beverage must be ordered directly with OVG Hospitality and can be placed on the new exhibitor portal, located [here](#).

FIRE PRECAUTIONS:

No combustible decorations, such as crepe paper, cardboard, or corrugated paper, shall be used at any time. All packing containers, and/or wrapping paper must be removed from the floor and must not be stored under tables or behind displays. All muslin, velvet, silken or any other cloth decoration must be flameproof. All materials and fluids that are flammable are to be kept in safety containers. Open flames, butane, gas, oxygen tanks, etc., are not permitted.

ADDITIONAL BOOTH INFORMATION:

Booths must have Exhibitor personnel in the booth during exhibit hours. Exhibitors will receive two badges per booth for personnel manning exhibit at no extra cost. Additional booth personnel badges can be ordered at a cost of \$140 per badge (HST extra). Exhibitors are entitled to lunch on Friday and Saturday and Friday refreshment break. Your exhibitor badge is not valid for the seminars. These sessions are for delegates only. If you wish to attend a session, you must register separately.

EXHIBIT INFORMATION:

1 Eglinton Ave E Suite 705, Toronto, ON M4P 1A3

T: 416-943-6583

TF: 888-921-0331

Booth set up and dismantle information

As the Enercare Centre is a unionized building, exhibitors will need to ensure that the set-up and dismantle of booths align with the Enercare Center's 506 labor guidelines. Please note the following options:

1) The companies listed below are approved to work within Enercare Centre's 506 labor guidelines; if a company has been secured for exhibit set up and tear down and appears on the aforementioned list, no action is required. If the company secured is not listed, set up and tear down services will need to be secured through one of the suppliers listed below. The show services company secured for this year's event is Stronco Designs Inc. and they can be contacted to arrange set-up and dismantle services for your exhibit space (click here for more information).

2) If the company secured for set up and tear down services is not listed below, they can still be involved with the design and move-in/move-out of the exhibit space. A staff member of the company hired to design the rendering of the booth can act as the supervisor onsite who will provide direction and support to staff actually performing the set up and tear down (who would need to be secured through a Local 506 affiliated company: as per list below).
